Carter 4/29, Presley 4/29

Staff: Tomeka 4/04

Staff Anniversaries:

Dorothy: 4 years,

Let's Celebrate!

Administrative Professional's Day is this month, so please say a **BIG thank you** to our Administrative Assistants **Sharon Biddle** and **Tomeka Wafer**. (Tomeka is on maternity leave). They are the ones you first talk to on the phone, answer all your questions and take your messages. They do hundreds of things that make our lives easier and things run smoother. You're the Best! **THANK YOU!**

April is Occupational Therapy Month. **Wanda Howard** is our OT and **Elena Dockery** is our OTA. They work with your child to develop fine motor skills and address sensory issues. Tell them how much you appreciate them working with your child! **THANK YOU!**

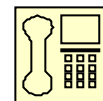

Dr. Ashcraft will be here on Tuesday, April 12, 2011.

Arkansas Children's Week will be observed April 11 – 15, 2011. Check the newsletter for activities for each day.

Nutritionists will be here on Tuesday, April 26, 2011 for a site visit.

DON'T FORGET!

Call KIDS FIRST at 234-1597 if your child is sick or out for the day.

Let's Explore Science!

KIDS FIRST will be celebrating Arkansas Children's Week

April 11th – 15th, 2011. We have the following fun things planned for the week and encourage all children to participate if possible!

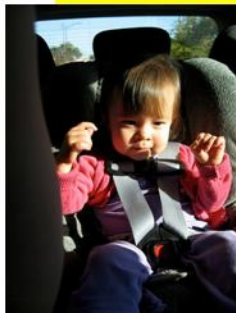

- **Monday, April 11: Hat Day** (wear any type of hat). Treatment rooms will have water play.
- **Tuesday, April 12: Sunglasses.** Treatment rooms will do weather activities.
- **Wednesday, April 13: Opposite Day!** (Wear mix/match clothes & shoes). Treatment rooms will talk about 5 senses.
- **Thursday, April 14: Sports Day!** (Wear your favorite team /sport jersey). Treatment rooms will talk about dirt!
- **Friday, April 15: Wear Arkansas Children's Week t-shirts** or a bright colored t-shirt. Treatment rooms will have a mini-science fair. **Parents are invited to visit at 2:00** to see the "science projects".

Project Nurture

Nurturing Idea for April

Brain Food

When preparing foods for your child, you are careful about what goes into their bodies. You make sure that what they eat is good for them. Do you take the same care when selecting what goes into their minds? Specifically, consider the music you listen to around the house or in the car. Your child is listening too!

Now, let's be realistic. You don't necessarily have to listen to *Silly Songs with Clappy the Clown* every day, just pay attention to be sure what you're feeding your child's mind isn't "junk food".

WHAT IS PROJECT NURTURE?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST infants, toddlers, and families through secure and nurturing relationships.
