## Have a Stress Free Holiday

The most important tip is to have fun. Put on Christmas music dance & sing with your child., Allow your child to assist you in decorating the tree., It's always fun to bake cookies with children. Spend time with the family & cherished the memories..

**PARENTS** we need a phone number where you can be reached in case of an emergency!! Also call KIDS FIRST at 870-534-7392 if your child is sick or out for

### Project Nurture

## Nurturing Idea for December

### Babies and Holidays

Don't overbook this holiday season! You've got tons of people to see (and show baby off to), but don't forget to plan time for naps and playtime. If not, your baby is likely to get uncomfortable, tired, and cranky. You may even have to remind too-pushy relatives that scheduling some downtime is necessary and is not negotiable.

### WHAT IS PROJECT NURTURE?

Project Nurture is KIDSFIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDSFIRST infants, toddlers, and families through secure and nurturing relationships.

## Thanks!

This month was action packed with activities coordinated by Ms. Mallett . She did an excellent job in making sure everyone received a Christmas gift.

All the children loved Santa Claus and his elves. KIDS-FIRST Pine Bluff had a special elf , Ms. Roz. She picked out toys for all the little girls & boys. She recruited special helpers to wrap & separate all the toys for the children.

Thanks to All for participating & making this Holiday Special.....
