FEBRUARY 2010

FEBRUARY NURTURING IDEA

Storytelling is a fun and fundamental part of childhood. Through it, children build their vocabularies, foster a love for reading, and begin to understand how stories unfold. To make a story come alive, substitute the names of the characters with the names of your children.

This allows them to feel like they are actually part of the plot.

WHAT IS PROJECT NURTURE?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST

Arkansas Children's Week is April 11-17

Mrs. La Toya is now taking orders for Arkansas Children's Week t-shirts. The 2010 shirts will be dark chocolate with the three color logo on front and the cost will range from approximately \$5.00 for youth size to \$7.00 for adults. Please include payment at the time of ordering.
