FEBRUARY BIRTHDAYS

This month we have several birthdays to celebrate!! Birthday children include, Marcus E, Tiffany M, Alexandra M, Parker N, and Kavion T. Staff celebrating birthdays are: Erica Clark, Child Care Technician in the Baby Room and Zorana Barron RN. We would like to wish a very Happy Birthday to all the children and staff born in February.

IMPORTANT REMINDERS

Parents,

We all know how frustrating it can be when your child comes home without their gloves, or the wrong jacket, or mismatched socks. One way to help us, is to be sure to put your child's name or initials in each article of clothing that is sent to KIDS FIRST. Please mark on the tag of clothing or the toe or heel of socks so their clothes can be match to them. It is also very important to send an extra set of clothes in case of accident. Thanks for your help with this.

EMPLOYEE OF THE MONTH

This month's employee of the month is Angela Scoggins. Angela is the supervising teacher for the Ol' Owls Nest and Kanga's Roos, better known

as the baby room and the Waddlers. Angela has worked for KIDS FIRST for almost 14 years and is a certified teacher. Angela enjoys making jewelry, spending time with her grandchildren and camping in her travel trailer. Congratulation Angela!

PERFECT ATTENDANCE

Apparently January was a busy month. Only two children had perfect attendance for January. They are Aaron D. and Jocelyn G. A great big gold star goes out to both children and their parents for getting them to school every day!

NEWS AND NOTES

Dear Families,

We survived the snow!!

With Spring right around the corner, I wanted to let you know what exciting activities were coming up. March is National Nutrition Month and we will be celebrating by "Eat Right with Color" We'll be trying lots of foods with colors of the rainbow. Fruits and veggies will be the main topic.

April is the time for Arkansas Children's Week.. This year's theme is "Early Years are Learning Years." Look for information to be sent home about events happening in our area.

In early April, the supervising teachers will be attending a training for outdoor activities. Look for lots of fun ideas to come from this.

We are all looking forward to fun and warmer weather!
