Nurturing Idea for January

Snow Ice Cream

It's a great time to stay inside and snuggle up with your little one. But if you're lucky enough to get some snow this winter, whip up a batch of this classic treat and enjoy it with your child. If he's big enough (and you're brave enough) let him help pour and stir.

When it starts to **snow**, place a large, clean one-gallon bowl outside to collect the flakes. When full, stir in **1 cup sugar** and **1 tbsp vanilla extract**, then stir in just enough **milk** to get your favorite consistency. Serve at once.

What is Project Nurture?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST infants, toddlers, and families through secure and nurturing relationships
