Project Nurture

Nurturing Idea for July

Choose a simple project to show love to someone this week. Brainstorm with your child, who may have great ideas and will "own" the idea more if they are involved in the planning. Some suggestions: Help care for an elderly neighbor's yard; Have a yard sale and/or lemonade stand and donate the money to a special cause; Make a meal and card for someone who has been sick and needs some "tender loving care."

What is Project Nurture?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST infants, toddlers, and families through secure and nurturing relationships.
