Project Nurture

Nurturing Idea for July

Choose a simple project to show love to someone this week. Brainstorm with your child, who may have great ideas and will "own" the idea more if they are involved in the planning. Some suggestions: Help care for an elderly neighbor's yard; Have a yard sale and/or lemonade stand and donate the money to a special cause; Make a meal and card for someone who has been sick and needs some "tender loving care."

WHAT IS PROJECT NURTURE?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST infants, toddlers, and families through secure and nurturing relationships.

WELCOME

KIDS FIRST Warren would like to welcome **Ms. Ashley Miller** to our staff. Ms. Ashley will be our new full time Speech Therapist, which is an exciting first for the Warren Clinic. She comes to us from Huttig, Arkansas and is a graduate of the University of Louisiana at Monroe with her Masters in Speech-Language Pathology. Welcome, Ms. Ashley, from all of us at KIDS FIRST!

Ms. Ashley with Mrs. Lawanda and Ms. Lynette's Classroom 4 as she does integrated therapy with them.
