

MAGNOLIA MESSAGES

ROOM NEWS

This month will be busy for all of the rooms. Warm weather is here! The rooms will be talking about creepy-crawlies, fish and pond life, and things under the sea. They will be doing outside water play activities as well. Look for a notice from your child's room about specific activities.

All children need a summer change of clothes to keep in their cubby. Label the clothes with name.

As a reminder: No flip-flops or sandals. Children need to wear closed shoes.

Put this date on your calendar: **June 22, 2010, 3:30 – 4:30.** Six children will graduate to kindergarten. You are invited to join in the celebration.

THE PARENT COLUMN

PARENT COLUMN Summer Hot Weather Tips:

- **Use sunscreen** to protect your child's skin. Use one for children with a SPF of 30 or more.
- **Keep children** indoors during extreme heat.
- **Offer plenty** of fluids. Water is best, but popsicles are more fun.
- **Dress children** in cool, lightweight clothing.
- **Put a hat** on your child's head when outdoors.
- **Teach your child** to swim. NEVER leave a child unsupervised around water.
- **Plan** a few night time activities like catching fireflies or star gazing.
- **Take short** road trips, early in the day.
- **Take lots** of pictures!

Relax and enjoy the summer!

DON'T FORGET!

Call KIDS FIRST at 234-1597 if your child is sick or out for the day.

KIDS FIRST will be **closed** on Monday, July 5th in observance of Independence Day

Project Nurture

Nurturing Idea for June

Item needed: broom After dinner, give each family member a bristle from the broom. Ask each one to please sweep the floor, using their piece of straw. Then ask: Would it be

easier to sweep the floor with this? (Of course!) When all the pieces of straw are joined together (when we work together), much more can be accomplished.

WHAT IS PROJECT NURTURE?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST infants, toddlers, and families through secure and nurturing relationships.
