

KIDS FIRST KOURIER

MANDATORY PARENT'S MEETING MARCH 17TH AT 2:00

KIDS FIRST- PINE BLUFF

March, 2010

March is National Nutritional Month

Kids First Pine Bluff will be doing activities centered around good nutrition habits. Some of the things

that our children will be participating in is sampling foods from different food groups, the food game, and singing songs from the *Kids First Nutrition & Fitness Can Be Fun CD*.

Parents please remember that you are an instrumental part of shaping your child's positive eating habits. Choose the most nutritionally rich foods you can from each food group each day, those packed with vitamins, minerals, fiber and other nutrients but low in calories.

**Children will not remember you for the material things you provided, but for the feelings that you cherished them.
