

## MOUNTAIN VIEW SPOTLIGHT

## INFANT ROOM

Hello Turkey Season!

We are so glad the weather is cooler. There have been many changes in our baby room also. We had a wonderful fall festival. The babies looked so cute in their costumes. Malory was a lion, Zaylie and Amberely were lambs. Brian was a monkey & Mason a train engineer. Ms Donna & Ms Karen were Big Babies. We had a duck pond in our room. We had to say good-bye to our sweet Gigj! She will be missed. Zaylie is now walking everywhere!! She looks so cute high stepping around the room. Malory is standing alone! Shhh—don't tell her, she might fall!: ) Mason is rolling over, he can roll from front to back & back to front, yeah, Mason!!

Amberley is crawling and pulling up to small items. It won't be long now. Brian is saying more words. He can say, hi, bye, bottle, Mason, & Karen. Our babies are growing up so fast! Mason celebrated his 1st birthday the day of our Fall Festival. We had cup cakes to celebrate, Thank you - grandmother! Ms Karen & I just want to thank all of our parents for their cooperation. It is a pleasure working with your little ones. We get so attached to them, it is hard to seem them move up!

Have a wonderful Thanksgiving

Ms Donna & Ms Karen

## PRESCHOOL I

Preschool I would like to welcome Cameron and Kash to our room. We really enjoyed the fall festival last month. This month we are all learning about "being thankful."

We are busy making crafts and reading stories about turkey's.

It is hard to believe that fall is already here. Everyone in the room has been talking about the leaves or the trees changing colors. Our colors this month are, yellow, red, orange & brown.

We want to wish everyone a Happy Thanksgiving from Preschool I. We are thankful to the parents for sharing your little ones with us.

Ms Lisa & Ms Willadean

## Toddler I

Hello again from the Toddler I room. We had a great turn out with the Fall Festival. I would like to thank the parents that came. Things were hectic and I don't remember thanking you and I apologize. All the kids were so adorable and we had so much fun. Our class will continue to focus on pumpkins. Our new color is brown and we'll be talking about family and Thanksgiving. Our toddlers would like to welcome a new friend Adam to the classroom. Thank you, parents, for sharing your children.

## Toddler II News!

In the month of October the kids learned about fall, pumpkins, scarecrows, and Jack-O-lanterns. They got to scoop out a pumpkin with Ms Jacque and that was a lot of fun. We also enjoyed the Fall Festival. The kids looked sooo cute in their costumes. They would like to say thank you to all the teachers for all the fun games and yummy snacks. We all had such a good time. In October, we had to say goodbye to some friends, Abey & Cameron. Good luck in your new classrooms. We say hello to some new friends: Emily, Dalton & Robert.

In November we will learn about Turkey's & Thanksgiving. Our children would like to say Happy thanksgiving to all the parents and their families.

Thank You!

Ms Kathy & Ms Tasha

## Project Nurture

### Nurturing Idea for November

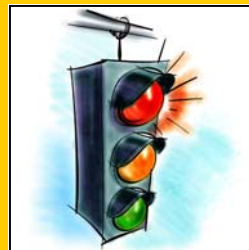

#### Red Light, Yellow Light, Green Light, Go!

As you are driving the car, use the traffic light as a way to help your child choose to do the right thing with his or her emotions.

What does the **red light** mean? (STOP) The first step to controlling our emotions is to STOP and think!

What does the **yellow light** mean? (CAUTION) Pause and consider the consequences! Ask, "What might happen if I do this?"

What does the **green light** mean? (GO) Choose to do what is right.

Review the steps with your child when he or she gets angry or upset.

What is Project Nurture?

Project Nurture is KIDS FIRST's Infant Mental Health Program. Our goal is to promote the social and emotional well-being of KIDS FIRST infants, toddlers, and families through secure and nurturing relationships.
