Each judge and participant received a First Annual Dancing with the Stars Kids First-Pine Bluff Certificate

We would like to thank all participants and everyone who helped in making this event a complete success.

NATIONAL LET'S MOVE CAMPAIGN

The First Lady has initiated a National Let's Move Campaign with a goal to improve the health of today's children and to reverse the childhood obesity trend within a generation. The goal for kids is 60 minutes a day for five days a week. The goal for adults is 30 minutes a day for five days a week. This challenge began on October 4, 2010 and will continue for six weeks. We have signed up staff and kids to participate. We have a bright and cheerful person, LaShanda Dudley, who motivates us every morning with her up beat music. The children and staff move excitedly to the beat.
