Breast Cancer Awareness Month

October is Breast Cancer Awareness Month. Kids First-Pine Bluff will be observing this cause October 13th. Lunch and information brochures will be provided. We are asking everyone to wear pink t-shirts. We are celebrating 25 years of awareness, education, and empowerment for women.

We would like to recognize Mrs. Janice Fisher the proud recipient of the "BEV AWARD" Beverly Bursk Award of Excellence. It is named for Beverly Bursk a long time Kids First employee who died in 2001.

B = Balance and Behavior

E = Excellence and Encouragement

V = Values and Vigilance

Janice is always willing to help in any situation and is highly regarded by all her co-workers. Keep up the good work Janice! We really appreciate you.

Halloween Safety 10/31

Trick or treating should be a fun night of dress up, imaginary fun for your children and family.

These tips should help you and your family have a successful and happy Halloween!

1. Children should only go out with a responsible adult.
2. Stop only at familiar homes in your neighborhood.

KIDS FIRST-Pine Bluff is joining First Lady Michelle Obama's "Let's Move Campaign"

Our goal is to increase physical activity throughout the day in our clinics and at home. We want to help your family make healthy choices by providing simple things that you can do at home to increase active play and eat healthy.

Please join us in this great endeavor to improve the health of your child and your family. Ask your child to show how he/she moved at KIDS FIRST today!
